AM 8:00 - AM 8:50 Registration
AM 8:50 - AM 9:00 Opening ceremony
AM 9:00 - AM 10:00 Scientific session I
AM 10:00 - AM 10:15 Coffee Break

SYMPOSIUM: Functional Neuroimaging of Stroke Recovery

AM 10:15 - AM 10:50 1. Mechanism of motor recovery in stroke patients(usig fMRI and DTI) ()
AM 10:50 - AM 11:25 2. Brain activation in patients with cognitive dysfunction ()
AM 11:25 - MD 12:00 3. Reorganization of language areas according to recovery of aphasia ()

MD 12:00 - MD 12:50 **SPECIAL LECTURE:** Functional MRI and DTI for the study of neural plasticity
: Associate Professor of Anatomy and Neurobiology Director,
Center for Biomedical ImagingBoston University School of Medicine

PM 1:00 - PM 2:00 Lunch
PM 2:00 - PM 3:30 Scientific session II
PM 3:30 - PM 3:45 Coffee Break
PM 3:45 - PM 5:15 Scientific session III
PM 5:15 - PM 6:30 Poster presentation
PM 6:30 Cocktail Party
